

# Virtual Mobility Day 4

---

- Today we will start with the Kahoot that we did not do yesterday, this is to check your knowledge of who migrants are
- Then you will watch a short video where you will see refugee life through the eyes of a child. You will have to identify where he started and where he finished...Note this down
- The first Activity will be to label a map and try and work out distances that Hamza travelled, If you left your home and travelled the same distance, where would you end up?
- The third activity is to consider what you think is important

# Yesterday's Kah

oot  
<https://create.kahoot.it/share/refugee-crisis/6d16f0b5-80e6-4dc8-9bdf-679060279157>

# Your teacher will have shown you a map,

- You have 10 minutes to identify where Iraq, Syria, Jordan, Turkey and Greece are.
- If you know that the distance Between Damascus and Tyre is 400 km work out the distance that Hamza and his father travelled from Mosul to Idomeni.
- If you travelled the same distance from your home where could you be

# Refugee through the eyes of a child, Here are two videos, the first shows Hamza'a journey from Mosul

---

- [https://youtu.be/UDy8\\_8L3s0A](https://youtu.be/UDy8_8L3s0A)
- The second video shows a child describing the sea journey
- [https://youtu.be/UDy8\\_8L3s0A](https://youtu.be/UDy8_8L3s0A)

Reflection. You can only choose 3 of these  
there will be a padlet for each school, agree the three items you  
would take.....or choose 1 other item not in the list
